

About AAR BIOSYS / WellGreen Pharma

- **AAR Biosys/WellGreen Pharma**, is one of the existing PCD companies in India and we sincerely aim to add value to human life. The demand for medicines is growing by leaps and bounds as different economies progress.
- We plan to capitalise on the opportunity and aspire to reach out to ailing people, also located in remote locations in India, by providing them with the benefit of world-class medicines that are superlative in quality and also affordable so that we can meet the needs of more people.
- In order to signal our brand importance, we ensure that we fare extremely well on myriad parameters.
- These include medical grade, meeting all the regulatory criteria as laid down by DPCO, high quality and flawless packaging, non-hazardous materials, etc., since we recognise that our goods are commonly used in many organisations such as hospitals, medical centres, pharmaceutical wholesalers, chemists, and the needs of our customers are profoundly rooted in our philosophy.

Company Lines

AAR Biosys/WellGreen Pharma provides pharmaceutical professionals from all over the world with business opportunities. The organisations is interested in these two main firms, which are:

PCD Pharma Franchise

- The product portfolio of **AAR Biosys/WellGreen Pharma** includes a diverse product range that is high in quality, creative and affordable.
- We have products to meet the consumer base and our product category covers all of the industry's main categories.
- We are active in the franchise business of PCD Pharma/Pharma and have more than 400 associates across India.
- Via our business venture, we aim to encourage a healthier lifestyle and provide creative solutions to health-related problems.

Contract Manufacturing

- In many segments, we are interested in manufacturing high-quality pharmaceutical products.
- We provide a high-quality variety of medicines at the best price and with outstanding quality as a third-party producer.
- The compliance criteria for regulatory agencies worldwide have been successfully met by the company. We are trusted by our partners in industry.

Why Choose US...?

There are the following reasons to choose us:

- Strong Support for clients
- Speediest Dispatch
- Promotional Support
- Services which are authenticated
- Spacious warehouses

- Wide product selection
- Manufacturing Partnership State-of-the-art
- Every month, the company recognises new business demands and launches new molecules to help partners expand faster and deeper in the market.

Wide Range

Our diverse range of products consist of Injections, Tablets and Capsules, Soft gel, Ointments, Syrup, Dry Syrup, Ayurvedic products:

TABLETS/CAPSULES
